

LES PAUL SPECIAL SINGLE CUT - 1950s STYLE REFERENCE PLAN

A0 / 1:1 / millimetres / construction-reference drawing

NOT A GIBSON FACTORY DRAWING. Verify all hardware and make test templates before cutting.

100 mm calibration bar

Verified Gibson values: 628.65 mm scale, 22 frets, 12 in radius, 42.85-43.05 mm nut.

Reference values: slab body approx. 438 x 332 x 44.5 mm; silhouette and rout locations reconstructed.

Red dashed geometry is indicative only: measure your pickups, pots, switch, bridge and covers first.

Print at 100% / Actual size. Confirm the 100 mm bar and nut-to-bridge distance before use.
